A Note from Committeeman Carr

Dear Residents,

Happy new year to all of our residents and businesses! As we open the doors to 2023, I'd like to take a moment to reflect on the past year and also look ahead to what we aim to achieve.

2022 brought our community and neighbors together. We successfully completed a master plan review on targeted areas, negotiated some contracts to strengthen our municipality's continuity, and supported our public safety departments. The committee successfully resolved many matters with an approach that saved our taxpayers' dollars.

The committee is excited to bring that same energy into 2023. We remain committed to improving the quality of life and working for our residents.

From our family to you, we wish you the absolute best New Years and a happy celebration. If there is anything our team or I can do to assist you entering 2023, please don't hesitate to reach out to us.

Very Truly Yours and Happy New Year,
Odise "Odie" Carr

Hello Westampton Residents,

My name is Linda Chieffalo and I have been a member of the Westampton Township Police Department since August 2003. During my career in Westampton Township, I was assigned as a Patrol Officer from 2003 - 2008, and a Detective from 2008 2018. In November of 2018 I was promoted to the rank of Sergeant and assigned to the Patrol Division as a Patrol Sergeant through the end of 2019. Since January 2020, I have been assigned as the Detective Sergeant to the Criminal Intelligence Unit. Effective January 2023, following a recent promotion, I will begin my appointment as Lieutenant for the Westampton Township Police Department.

In addition to my supervisory responsibilities within the department, I also manage numerous other duties, such as Criminal Expungements, Records / Background Checks, Juvenile Liaison, Megan's Law Liaison, Terminal Agency Coordinator, Homeless Liaison, Medicine Drop Box Coordinator, Bias Liaison Officer, and CODIS (Combined DNA Index System) Coordinator, to name a few.

Prior to Westampton, I began my law enforcement career in 2000 as a Special Officer Class I with the Mount Holly Police Department who provided me the opportunity to attend the Burlington County Police Academy. Upon graduating the police academy in 2000, I continued with the Mount Holly Police Department as a Special Officer Class II and a part time Police Officer with the Burlington County Bridge Commission. After 6 months with the Bridge Commission, I was hired full time where I remained for another 6 months until I was hired by the Delaware River Port Authority. I spent approximately 15 months with the DRPA, assigned to the PATCO Speedline and in August 2003 was hired by Westampton Township.

I grew up in Mount Laurel Township and attended Lenape Regional High School, graduating in 1987. Upon graduation and before my law enforcement career, I attended Burlington County College and Gloucester County College. In 2014, I enrolled in Fairleigh Dickinson University where I began working toward finishing my bachelor's degree. In the Fall of 2021, I completed my last class, receiving my bachelor's degree in Public Administration in February 2022.

When I am not working, I enjoy working out at the gym, day trips to Long Beach Island, kayaking and watching sports (especially the Phillies, Eagles and Villanova basketball). I also enjoy spending time with my family, which includes 2 nephews and 3 nieces, my friends, and my fun loving/energetic 7-year-old black Labrador Cody.

As I embark on my new position as Lieutenant, I look forward to assisting the other Police Administrators, Chief Ent, Lt. Ferguson, and Lt. Bieri with the daily operations of the department and various other duties. As I have learned over the years in this profession, teamwork is the key to success. That being said, if there is anything I can do or any concerns I can address please feel free to reach out.

Respectfully,

Lt. Linda Chieffalo
