

Township of Westampton

710 Rancocas Road Westampton, NJ 08060

Phone: (609) 267-1891

Fax: (609) 267-7398

Dear Residents,

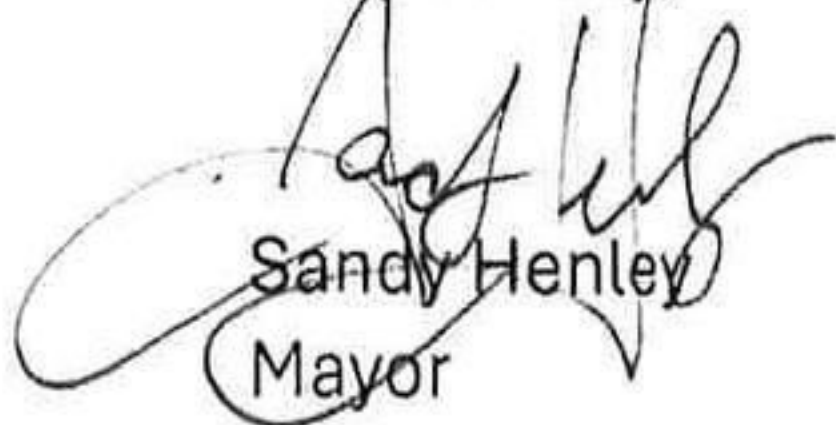

We want to clarify some incorrect information in a recent mailer regarding trash collection guidelines:

- **Trash Can Size:** There is no requirement to use 35- or 40-gallon trash cans.
- **Weight Limit:** Single items placed at the curb **must not exceed 60 pounds** in weight.
- **Use of Bags:** You are not required to use trash cans; you may place trash bags directly at the curb.
- **Larger Carts:** If you use larger containers, such as 96-gallon carts, please ensure that these containers do not weigh more than 60 pounds.
- **White Goods (Appliances):** Items such as refrigerators, washers, and other appliances **do not need to be brought to the township building**. These items will be picked up curbside. However, you **must notify Public Works** to schedule a pickup with our servicer.

Westampton Township will continue to work with the new contractor to make sure trash is collected in an efficient manner. Please keep an eye out for more recommendations in the coming weeks on how this service can be provided in a safe manner.

We appreciate your understanding and cooperation. If you have any questions or need to schedule a white goods pickup, please contact Public Works at 609-267-1891 ext. 6.

Respectfully,

Sandy Henley
Mayor
